Community School Progress Summary 2022-2023
Principal

BCPS Vision: Baltimore County Public Schools will be among the highest performing school systems in the nation as a result of creating, sustaining, and investing in excellence for every student, every school, and every community.	School Mission: The mission of Elmwood Elementary is to provide a rigorous education for all students. Each individual will have access to high-quality instruction which encompasses 21 st Century learning skills in a safe and orderly environment. Our innovative and responsive programs will develop the academic, physical and social skills necessary to become globally competitive and responsible citizens.
ACTION STEPS	
Culture	
Teachers will identify and implement appropriate scaffolds for instruction to promote student independence and to ensure students receiving special education services can access grade level content.	
Mathematics Goal: All students will achieve mathematics proficiency as indicated by the MCAP assessment.	
Action Step(s):	
<div style="border: 1px solid black; padding: 5px; margin-bottom: 5px;"> Teachers will implement system programs and resources with fidelity while being responsive to learning variability within the parameters of the programs and resources </div> <div style="border: 1px solid black; padding: 5px;"> Teachers will use a process for formative assessment including checks for understanding during instruction and adjust teaching as needed based on student progress </div>
